ARIZONA'S FIRST NO-KILL SHELTER

## WHAT IS DESIGN FOR DOGS?

Design for Dogs is the annual fundraising event hosted by Facings of America to benefit the Arizona Animal Welfare League & SPCA (AAWL.) In our fifth year, this fun event will be held on **Friday, February 22, 2019** at Facings of America's Scottsdale showroom. The highlight of the evening is the **doghouse design + build competition** featuring **custom canine abodes** by some of the top creative talent in the local interior design and architecture community. We'll also have great **food, craft beer, wine**, a premium organic **vodka tasting** menu, a raffle with tons of amazing **prizes**, hot **music, mixing and mingling**, and the sweetest **adoptable dogs** you'll ever see!

## WHY SHOULD WE GET INVOLVED?

Design for Dogs is open to the public but the core attendees are the **hundreds of design and architecture industry professionals** from all over the Valley. **Last year, over 400 tickets** were sold to the event and this year we expect even more. The best part is, you're helping a worthy cause. Last year, over **\$20,000** was donated to AAWL by Design for Dogs through attendee support, sponsors, and proceeds from the Designer Doghouse silent auction. You'll get **media exposure!** 2018 entrants were featured on 3TV News, FOX 10 News, Channel 12 News, Arizona Republic, Arizona Foothills Magazine, and Phoenix Business Journal. Your company name & logo will be displayed online to over **20,000 Valley residents**.

## WHAT IS A DESIGN + BUILD COMPETITION?

Teams consisting of local **interior designers, architects, builders, engineers**, and other industry partners design and build custom doghouses. **Trophies** will be awarded to entrants for Best of Show, Second Place, and Third Place by a **panel of esteemed celebrity and industry expert judges**. As well, the public will choose the People's Choice award by online voting. All completed doghouses will be **sold for charity** through silent auction on the event night on February 22, 2019.

## HOW DOES IT BENEFIT CHARITY?

The Arizona Animal Welfare League & SPCA (AAWL) is the **largest and oldest no-kill shelter** in Arizona. AAWL rescues, rehabilitates and re-homes dogs, cats, puppies and kittens throughout the State of Arizona that have been surrendered, abandoned, abused and neglected. A "no-kill" shelter is an animal shelter that does not kill healthy or treatable animals even when the shelter is full. AAWL is a **registered 501c3 non-profit** organization. Over the past five years, nearly **40 dogs found permanent homes** with Design for Dogs attendees. And, with the help of the community, we've been able to **donate nearly \$100,000** to AAWL & SPCA!
